

## Tasting Room Staff - Casual

We are looking for a community minded individual who is passionate about craft beer, making guests feel welcome and being a part of an amazing team. Applicants will be knowledgeable about craft beer, have serving experience and show a willingness to take initiative. You will provide excellent guest service and contribute to Tapworks as a community hub.

### **Responsibilities and Duties**

- Maintain cleanliness of tasting room, bar and retail area
- Pour beer and have solid understanding of the styles, ingredients, tasting notes
- Handle cash, use POS and cash out
- Able to work shifts on weekdays, weekends and holidays
- Open or Close the taproom
  - An opening shift will involve cleaning and setting up the lounge, retail and bar area alone. Closing shift will involve shutting down the bar and cashing out alone.
- Other duties as required

### **Skills Required**

- Ability to work in a team or independently
- Great communication/interpersonal skills
- Serving it Right certification
- Proficiency running a point of sale system
- Experience preparing or handling food and FoodSafe certification would be an asset (but not necessary)

Tapworks is a micro-brewery, tasting room and community hub. We provide competitive wages, excellent training, discounts on food/merch/beer, opportunity for advancement and a fun, energetic atmosphere!
